7) Novice is defined as a student in the first semester of competition in either public speaking or interp. Generally, an experienced debater is not a novice in oratory or extemp, but may be a novice in interp. However, your judgement is the final rule concerning whether a student belongs at this tournament of Novices, and I will not question your judgement.

8) Please carefully inform your novices of appropriate behavior.

9) Enter soon and enter often.

10) No limits on entries. We will close when full and so inform you.
